# Canva Email Banner Image Templates

We've created a variety of holiday email banner images you can take and use at your insurance organization.

The ready-to-use email header images are included in the downloaded ZIP folder with this PDF.

If you have a Canva account, we have created templates of these headers that you can edit to fit your brand colors, fonts, and add your company logo.

## How to Use the Canva Templates

1. **Access the template:** Click the button above to open the Canva templates.
2. **Create your copy:** Click the "Use template" button (or "Customize this template" depending on your account type).
3. **Sign in:** If you're not already logged into Canva, you'll be prompted to sign in or create a free account.
4. **Start editing:** A copy of the template will open in your Canva editor, ready for you to customize.
5. **Customize your design:** Edit the template to match your brand:
  - Update colors using your brand palette
  - Change fonts to your brand typography
6. **Download your design:**
  - Click the "Share" button in the top right corner
  - Select "Download" from the menu
  - Choose your file format (PNG for images with transparency, JPG for photos)
  - Select which pages to download if using multiple pages
  - Click "Download"
7. **Use your design:** Save the downloaded image to your computer. It's now ready to upload to your email marketing platform!
