INTEGRATION

AgencyBloc, the #1 Agency Recommended Management System, helps life and health insurance agencies secure and grow their business with an industry-specific CRM, commissions processing, and integrated business and sales automation.

Ease is an online benefits enrollment system built for insurance brokers and employers. Ease makes it simple to set up and manage benefits, onboard new hires, stay compliant, and offer employees one destination for all their human resources information.

This integration with Ease gives you greater control and efficiency in benefits enrollment, employee and individual tracking, and policy management.

From Ease

To AgencyBloc

"This partnership creates a great asset for health insurance brokers. With this integration, brokers will have a more streamlined experience from enrolling, to managing their clients, to overseeing their ongoing business. The combination of Ease and AgencyBloc will be a time saver for brokers throughout the year and especially during enrollment season."

Adam Lewis, President, AgencyBloc

"We are excited about our partnership with AgencyBloc. It will allow our brokers to further manage and grow their business by helping with customer service and seeing deeper into their business with real-time analytics. Creating this integration is part of our goal to bring new and needed technology to our brokers."

David Reid, CEO, Ease
